By Ellen Barlee

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Individual Exertion: A Christmas Call to Action Do not these facts speak for themselves of the inert state into which benevolence has fallen? Now and then, the truth of this want strikes so vividly upon some thinking minds that efforts are made to meet the need, City missionaries, Scripture readers, and Bible women being appointed to aid the over-worked clergy. These, how ever good, are, nevertheless, but paid agents, and established more to provide for spiritual than temporal destitution. We want help from those with in?uence and means to plough up the fallow ground of hard poverty. We require them to prepare the way for religious impression by substantial deeds of kindness. We need to preface our tracts by example, and to lead the way to a loving Saviour by practical obedience to His command Love thy neighbour as thyself.
