## STUDY GUIDE: STUDY GUIDE TO 7R.E: FOR PRINCIPLES OF MACROECONOMICS

WW Norton Co, United States, 1993. Paperback. Book Condition: New. 7th Revised edition. 254 x 174 mm. Language: English . Brand New Book. Each chapter parallels closely the content of the corresponding chapter in my text Principles of Macroeconomics, seventh edition. In order to give comprehensive and varied coverage, a six pronged approach has been developed: 1. Chapter Profiles provide an outline of each chapter, and Behavioral Objectives highlight the major concepts to be learned. 2. Case Studies show how the chapter s principles and concepts can be applied to major issues of public and private policy. 3. Limbering-up exercises in the form of Matching Questions and Completion Questions open the way to systematic review. 4. The numerous True-False and Multiple-Choice questions can be used for self-tests. 5. Discussion and Extension Questions provide stimulation for classroom discussions. 6. Short cases in the form of Problems simulate real-world situations and require you to work with actual data in tabular and diagrammatic form, thus demonstrating how to apply economic reasoning in the course of daily life.
