By Eddie Tapp, Rick Lucas

O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Practical Color Management: Eddie Tapp on Digital Photography, Eddie Tapp, Rick Lucas, The second book in this acclaimed series from noted photographer and digital imaging expert Eddie Tapp delves into color management, a topic that has needlessly become a mystery to experienced digital photographers, whether they're avid amateurs, serious students, or working professionals. With his easygoing yet authoritative style, Eddie sheds light on this topic and supplies an understanding of color management that readers apply to their own work. Clear and concise, this highly visual book explains how color management is a part of the overall photographic workflow. Eddie demonstrates the three stages of color managed workflow, from choosing a color space, to calibrating your devices, to applying appropriate profiles, and shows you exactly what you need to know and why you need to know it. Color management scientist Rick Lucas contributes a chapter on the hard-core technical aspects. Other books on color management are much too long, involved and intimidating. This absorbing book sets the right tone and supplies you with key answers quickly. Our "Eddie Tapp on Digital Photography" book series brings you the focused knowledge you need...
