

A Lexicon, English and Turkish: Shewing, in Turkish, the Literal, Incidental, Figurative, Colloquial and Technical Significations of the English Terms, Indicating Their Pronunciation in a New and Systematic Manner (Classic Reprint) (Paperback)

By James William Redhouse

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Lexicon, English and Turkish: Shewing, in Turkish, the Literal, Incidental, Figurative, Colloquial and Technical Significations of the English Terms, Indicating Their Pronunciation in a New and Systematic Manner But, almost before the work could be completed, the state of affairs which had called it into existence had become altered. The British fleets and armies left Turkey; the Turkish Contingent was dissolved the book threatened to become a burden on the publisher's hands; and all chance of a demand for the preparation of a more complete Lexicon of the two languages seemed to have vanished. Such, however, was not truly the case. The allied arms had driven back Turkey's political foe; but there was another warfare to be carried on within her territories - the war of the book, not of the sword. A small body of earnest men, from the great Anglo-Saxon republic established on the trans-atlantic continent, had long been established in Constantinople and various other parts of Turkey, labouring to unfold the views of modern science, temporal and spiritual, to the Armenian nation; losing no opportunity,...
