The end of times or the beginning of a new world order? The Founding Generation changed the course of history not only for the thirteen American colonies but for the rest of the world. Americans who lived through the dangerous and unstable period of the American Revolution and the Early Republic were far from perfect, but they were the perfect set of people to form a new nation founded on the principles of Liberty and Freedom. Their words offer us insight to their perilous times and wisdom to live through our own period of terror. Quotes from George Washington, Thomas Jefferson, Alexander Hamilton, John Adams, Benjamin Franklin and more. A wonderful survey of quotes from America s Founding Fathers.
