Forgotten Books, 2018. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Le Socialisme Et la Sociologie Reformiste Le livre qu'on va lire est écrit sans parti pris, avec le souci exclusif de la vérité et de la justice. Il est précisément dirigé contre tous les partis pris, de quelque nature qu'ils soient. Nous repousserons donc n'importe quel système qui se présentera comme scientifique sans avoir un appui dans les faits et dans les inductions qu'ils autorisent. Ni les conclusions de l'économisme pur, ni celles du pur socialisme ne nous sembleront offrir le caractère d'exactitude que leurs partisans leur attribuent. D'une part, les économistes sont loin d'être d'accord entre eux; d'autre part, il y a autant de socialismes que de socialistes. On ne sait trop à quoi et à qui se prendre: ce qu'un réformateur avance. L'autre le rejette ce qui suffit à l'un ne suffit pas à l'autre nous voilà entraînés à la poursuite de doctrines qui fuient sans fin. Les socialistes, à ditbebel lui-même, sont dans une mue perpétuelle. Il y a au fond de leurs systèmes des survivances du passé, il y a, aussi des mouvements nouveaux vers l'avenir; nous montrerons les premières et nous essaierons de dégager les seconds. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
