

Inequality and the 1%

By Danny Dorling

Verso Books. Paperback. Book Condition: new. BRAND NEW, Inequality and the 1%, Danny Dorling, Since the great recession hit in 2008, the 1% has only grown richer while the rest find life increasingly tough. The gap between the haves and the have-nots has turned into a chasm. While the rich have found new ways of protecting their wealth, everyone else has suffered the penalties of austerity. But inequality is more than just economics. Being born outside the 1% has a dramatic impact on a person's potential: reducing life expectancy, limiting education and work prospects, and even affecting mental health. What is to be done? In Inequality and the 1% leading social thinker Danny Dorling lays bare the extent and true cost of the division in our society and asks what have the superrich ever done for us. He shows that inequality is the greatest threat we face and why we must urgently redress the balance.
