## THE MEMOIRS OF FRAY SERVANDO TERESA DE MIER

Oxford University Press, NY, 1998. Hardcover. Book Condition: Brand New. Dust Jacket Included. Hardcover, [xiv], 242 pages. Size 8.5"x5.75". Fray Servando "was arrested by the Inquisition and exiled to Spain only to escape and spend 10 years traveling throughout Europe, as none other than a French priest. So began the grand adventure of Fray Servando's life, and of this gripping memoir. Here is an invitation hard for any reader to resist: a glimpse of the European "Age of Enlightenment" through the eyes of a fugitive Mexican friar. Fray Servando's account of Europe is clear-sighted, hilarious - and certainly not included in the travel literature of that era. In this memoir, one sees a portrait of manners and morals that is a far cry from the "civilized" spirit that the Empire wanted to impose on its Colonies. This book takes a look at history from an upside-down perspective, asking this question: who were the real savages, the colonizers themselves, or the supposed "savages" they were struggling to convert?" Book and dust jacket are New, clean and unmarked.
