THE HOUSE OF THE SPHINX (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the INTRODUCTION. A STORY of true love needs no formal introduction, just as good wine needs no bush. My only excuse for a preface is the fact that this particular romance deals more or less with the occult sciences, and it may interest the reader to know something about the history of magic and the influence it has exerted in the world. In an age of science it seems strange that magic, astrology, alchemy, spiritism, and kindred things, should have any votaries among serious-minded people. But nevertheless such is the case. The literature on the subject is quite voluminous. The reason for all this is obvious. It is a reaction against the materialism of the age. The epoch-making book of Sir Oliver Lodge (than whom no profounder physicist exists) on mind and its relations to matter shows the change of base on the part of scientific men toward the idealistic philosophy. The universe is the product of mind. The Orient has always advocated the spiritualistic interpretation of the cosmos and the human soul. Exalting mind above matter to an extravagant degree, the philosophy of the Orient has brought into being the occult sciences which have exercised such a potent sway over humanity. The power of the will, as...
