Brand New Book ***** Print on Demand *****.Excerpt from An Illustrated Monograph on Oxyhaemoglobin, Vol. 1: Allied Products This monograph emanates from our Scientific Department and is in no sense of the term an advertisement. Inasmuch as we have no exclusive control of the manufacture and sale of any article herein mentioned, and as the treatise is solely designed to advance the science of medicine and allied beneficent arts, we believe that the most enthusiastic altruist can take no exception to it. A word of explanation regarding our Scientific Department. We organized it upon the theory that, pharmacy being a branch of medical science and practice, the standing of the manufacturing pharmacist, like that of the physician, should be gauged rather by his contributions to science, than by the extent of his business. All commercial considerations have, therefore, been eliminated from this department, which we maintain solely for the gratuitous dissemination of knowledge by the publication of the investigations of modern scientists. It is, however, far from being a mere Bureau of Publication, in that the outside investigator is supplied with material for original...
