Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Still out there looking for Mr. Right? Tired of the dating game ? What is taking God so long? You don t need another book on relationships, what you really need is a heart-to-heart talk with someone that s fighting the same secret battles you are. Michal, a young single Christian, dares to give you a peek into her personal journal entries where she writes letters to her Mr. Right. In each chapter, the author openly discusses the struggles that singles face, but rarely ever talk about; thoughts and questions that cross your mind, but never share with anyone else. Singleness is a journey. Whether you re a guy that believes that you have the right moves to get you through, or a girl that s got it all figured out, you re going to love the down-to-earth conversations and real-life adventures in this book. See yourself through God s eyes. You never know, you may even hear Him whisper some very important truths that you ve been missing. Michal Haddad has been a youth worker for several years ministering at local churches and most recently with Lebanon Youth for Christ giving talks, conducting workshops, and coordinating Christian youth events inspiring young people to live for Christ. Her passion is to help youth realize God s purpose for their lives. Michal was raised in Beirut, Lebanon and started writing at a young age. She s a prolific poet and has written a number of Christian plays, devotionals, and songs. Michal currently lives in the United States with her Mr. Right where they are starting a family.
