Insignificantly though it had hitherto seemed the little island was soon to compel by its tones of thunder the whole world to pay it instant attention. It was to become the scene of a volcanic outbreak so appalling that it is destined to be remembered throughout the ages. - Sir Robert Ball Volcanic eruptions have amazed people for millennia, and notorious ones like the eruption of Mount St. Helens can still be immediately recalled even by some who weren't alive at the time, but perhaps the most famous and most destructive eruption in modern history was the 1883 eruption of Krakatoa. Even without the instantaneous forms of communication that are now available, the world watched in wonder for new updates about a tiny South Pacific island, and though few of them would ever go there, Krakatoa remained a source of fascination for the much of the world for the next 50 years. Krakatoa had already been the...
