Clovecroft Publishing, 2018. Hardback. Condition: New. Language: English . Brand New Book. Did you know that a sighting of a group of unicorns is so rare that it is called a blessing? When Fur and Feather Get Together is a fun and educational poem about a father and child enjoying their lazy day together. Incorporating the warm and whimsical animal paintings of illustrator Kim Wyly, the father teaches his child what pairings of different animal groups are called. Ultimately, it is a book encouraging quality time spent together while leading to further exploration of surprising words and their definitions. This is a book that can be enjoyed equally by families as well as in a teaching environment. Wyly's endearing and relatable illustrations are a perfect complement to the story. There are picture books that teach; there are picture books about family; and there are picture books that have outstanding illustrations. When Fur and Feather Get Together is a picture book that does all three - embracing the enduring themes of family, fun, learning and visual delight.
