Centuries have become witness to the trends of travel and from the whims of the individual to the necessity of a refugee. As the world becomes more integrated travel has increases, and suddenly there are more foreigners eating around you, living around you, and speaking their language in front of you. Begging many citizens to researchers to ask the question what makes people travel To many these are immigrants seeking a better life, driven by poverty and desperation from their homeland to those of greater wealth and opportunity. Yet this does not explain Americans emigrating to Western Europe, or emigration vice versa. Although income is a significant motivation for traveling there are many other factors at play, how many travel agencies are there advertising travel based on income saying 'go to Pairs - there's a surplus of low-wage jobs'. Surely there are other factors influencing...
