

## Artificial Intelligence: A Ladybird Expert Book (Hardback)

By Michael Wooldridge

Penguin Books Ltd, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. Part of the new Ladybird Expert series, Artificial Intelligence is a clear, simple and entertaining introduction to intelligent machines and the humans that program them. Written by computer scientist Michael Wooldridge, Artificial Intelligence chronicles the development of intelligent machines, from Turing's dream of machines that think, to today's digital assistants like Siri and Alexa. AI is not something that awaits us in the future. Inside you'll learn how we have come to rely on embedded AI software and what a world of ubiquitous AI might look like. For an adult readership, the Ladybird Expert series is produced in the same iconic small hardback format pioneered by the original Ladybirds. Each beautifully illustrated book features the first new illustrations produced in the original Ladybird style for nearly forty years.

### Reviews

*This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.*
