Filesize: 8.22 MB

Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Everett Stanton)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A vast starship, a virtual world in itself, carrying colonists, livestock, and the flora and fauna of Terra is struck by a cloud of unknown radiation while en route to a distant star. Chaos reigns when the radiation kills most of the crew, and in the ensuing madness, the knowledge of what the ship is and where its destination lies is lost to the survivors - and there are many survivors. Intelligent mutated animals and plants now populate the vessel, and these compete or perhaps cooperate with the humans aboard. In METAMORPHOSIS ALPHA, you are aboard the stricken starship and struggling to survive, trying to gain knowledge of the strange devices and mechanical apparatus of the vessel, attempting to learn the secrets of the strange world you inhabit. Eight authors come together to help bring the world of METAMORPHOSIS ALPHA alive. Led by James M. Ward, the game's original creator, enter the starship Warden, and through the eyes of the authors, enjoy the adventures of the bold as they struggle to complete their quests to understand what their world is all about. To Visit the Stars by James M. Ward The Starship Warden was the most ambitious project ever undertaken by humanity. How did the ship get its name? Probably the same way it got its duralloy armor. Tolerance by Craig Martelle Different day, different adventurers, same result. What happens when parties keep showing up at the same village? The natives get fed up. A Small Chance of Success by Craig J. Brain The Marines are sent on a perilous mission. Wolfoids are running rampant. Could saving the lives of intelligent toys help the Marines to eliminate the Wolfoid threat..
