Are you looking for a fantastic and in-depth way to learn a new language? Why not treat your brain and go about it the natural way? That's right, your brain has a natural way of learning language, and you simply aren't taking advantage of it. Our brains are hardwired to act on a complex system of concepts and context clues in order to figure out language. This is why most polyglots in the world will tell you that the absolute best way to learn a language is by simply immersing yourself in it. With this book, you'll be going through different short stories, all of which following the story of a girl named Maria and her kind family from El Salvador. Throughout the short stories, you'll be challenged and pushed to your limits - that s...
