

Indian Federalism: How does the policy of liberalization affect centre-state economic relations

By Jochen Gottwald

GRIN Verlag Sep 2007, 2007. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2003 in the subject Politics - International Politics - Region: South Asia, printed single-sided, grade: 1.0 (A), University of Heidelberg (South Asian Institute for Political Science), course: State and Economy in South Asia, with the example of India, 18 entries in the bibliography, language: English, abstract: Many scholars expected India to drag her feet in the liberalization process, due to the opposition of economically weak groups, negatively affected by a globalized market economy, but politically empowered through institutions created by India's long democratic tradition (Lanyi 2000). The missing of this resistance was one of the most puzzling experiences of the last ten years. Supplementing Rob Jenkins' popular thesis that India is going through a 'reform by stealth' (Jenkins 1999) led by witty politicians, perfectly able to play the tunes of these various institutions, this article will provide a neo-institutionalist position with emphasize on the impact of the IMF's structural adjustments programme on the federal and local level, which led to a change in the formal as well as in the informal institutions...
