RETURN OF THE FOUNDING FATHERS: TO SAVE THEIR BLESSED UNITED STATES OF AMERICA, A NOVEL NOVEL! (PAPERBACK)

Outskirts Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is This History, or What? Well, Yes, and Not Exactly. Yes, lots of history, but the worried Founders plans were aimed only to help their America win the cold war. They knew not of the Twenty-first century s terrorism attacks or of the crushing US debts owed to other countries. Only the startling current events in this heaven to earth and back to heaven again could reveal. There were greater dangers than they had imagined, when four founders actually became involved in trying to save their beloved United States from a cold war already won. As you follow their actions you ll find events both serious and mysterious, others fantastic even humorous; some sad yet exciting in love and lusty situations. You ll watch the past collide with a daunting future, as our Founders continue to be as exciting and inventive as they had been in 1776.
