

The Alphabet of Bugs: An ABC Book (Hardback)

Filesize: 6.07 MB

Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Enrique Labadie)

THE ALPHABET OF BUGS: AN ABC BOOK (HARDBACK)

Skyhorse Publishing, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. Do you know what a *Chrysoidea* or a *Papilionidae* butterfly looks like? Travel through the alphabet with *The Alphabet of Bugs* to learn about the many beautiful and unusually named bugs found in nature--and brush up on those ABCs as well! Valerie Gates's charming alliterative style paired with Ann Cutting's stunning photographs of all types of bugs is sure to delight curious children and adults alike. Children who already know their basic bugs will broaden their horizons, and parents who are tired of simple butterflies and beetles will find this book worth rereading. Spectacular photographs of insects of all kinds will inspire children to learn more about the different creatures found in the natural world. And while children learn about bugs, they are also learning the alphabet through silly sentences. This is an ideal gift for new parents and for young nature-loving children! Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers--picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
