The answer, given the title of this book, is obvious, and perhaps that's why few places in America have citizens with such an inflamed pride for their homeland. As John Steinbeck famously wrote in *Travels with Charley: In Search of America*, Texas is a state of mind, but I think it is more than that. It is a mystique closely approximating a religion. For all its enormous range of space, climate, and physical appearance, and for all the internal squabbles, contentions, and strivings, Texas has a tight cohesiveness perhaps stronger than any other section of America. It's not uncommon for the average Texan to feel great pride for the mere fact of being a Texan, and even if also a proud American, he/she can even play with the notion that the Lone Star State can (and perhaps should) be a big nation itself....
