## CONVERSATIONS WITH ENTREPRENEURS (PAPERBACK)

Millionaire Dropouts, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. From the Introductions: Have you ever wanted to be a sitting in the room while someone you admired was being interviewed? Have you ever wanted to be the fly on the wall just to hear what they are really saying about success, happiness and life? I too have always wanted that and this is why I developed Conversations with Entrepreneurs. There are so many books out there that are too polished and do not get down to the nitty-gritty on how to succeed. With this book series I structured the book so it would feel as if you were right there in the conversation. It is not overly polished or perfected but it is real and true. Join with me as I interview some of the top entrepreneurs of our time. Some are New York Times best selling authors and some are just like you and me. I hope you enjoy these conversations and I invite you to fill out the questionnaire at the back of the book. It is set up in an interview format. Maybe next time I will interview you. Till then. Sincerely, David E. Chambers.
