

Etherworld

By Claudia Gabel

Katherine Tegen Books. Hardcover. Condition: New. 352 pages. Dimensions: 8.3in. x 5.5in. x 1.2in. The mind-blowing action from Elusion, about the seductive nature of a perfect virtual world, continues as Regan goes deeper into the deceptive world. Full of mystery, romance, and intriguing technology, this Inception-inspired thriller is perfect for fans of dystopian and sci-fi novels such as Uglies by Scott Westerfeld, Matched by Ally Condie, and Partials by Dan Wells. Regan and her friend Josh now know the truth about Elusion but they, along with Regan's dad and other users of Elusion, are stuck beyond the firewall in bleak Etherworld. They must fight Elusion from within, but the longer they stay, the less likely they'll be able to return to the real world. And even if they do escape, the next battle to stop Elusion may be even more difficult. They'll face corporate cover-ups, personal betrayals, and the terrifying realization that the danger may have grown beyond anyone's control. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
