

My Pilgrims Progress: Media Studies, 1950-1998

By George W. S. Trow

Vintage. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. Original, provocative and possibly prophetic. -- The New York Times When his classic *Within the Context of No Context* was first published, George W. S. Trow parsed television's overwhelming dominance over America's consciousness. In *My Pilgrims Progress*, he returns with a provocative tour of politics and the media to show how 1950 got to be 1998. The son of a tabloid journalist, Trow was raised in the Deepest Roosevelt Aesthetic, and found himself seduced by the ordinaryness of the Eisenhower era. It was a time when the Old World was giving way to the New. Perusing *The New York Times* of February 1950, he gives us America at the peak of its power, with its politicians and celebrities (and the nearly hesitant advent of television) and the fresh terror of the H-bomb. At turns a cultural history, a eulogy, and a provocative commentary on contemporary America, *My Pilgrims Progress* confirms Trow's place as one of our most brilliant and incisive social critics. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This pdf is so gripping and exciting. I actually have go through and that i am confident that i will going to read once again once more in the future. I discovered this publication from my dad and i advised this ebook to discover.

-- Mr. Elwin McGlynn Jr.

Here is the greatest pdf i have got read through till now. It typically will not charge excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning when you question me).

-- Eulalia Langosh
