Wren Publications, United States, 2014. Paperback. Book Condition: New. 178 x 111 mm. Language: English . Brand New Book ***** Print on Demand *****.A beginner s guide to the womb twin work. A specific set of therapeutic interventions which are known to be helpful for womb twin survivors. Womb twin survivors are the sole survivors of a twin or multiple pregnancy. They started life in the womb as a twin or one of a multiple set, but they were born alone. Until now, there was little known about the needs of womb twin survivors in therapy. As a result of ten years of research, we now know much more. The ideas, advice and explanations provided here will help therapists to identify any womb twin survivors among their clients and provide them with appropriate help and guidance, as they follow their healing path. Copyable checklists included for use in a therapeutic setting.
