Speed Reading - The Definitive Speed Reading Collection contains the following books: Speed Reading Training - A Beginner s Course Covering the Most Effective Speed Reading Techniques by Warren R. Sullivan Speed Reading - Learn to Read Faster, Comprehend Better and Accelerate Your Life and Career by Tiffani Wise From the description of Speed Reading Training - A Beginner s Course Covering the Most Effective Speed Reading Techniques This book contains proven and effective strategies on how to improve your reading speed and overall comprehension. Revealed within are secrets that will supercharge your reading speed. And make you a speed reading demon. Reading is one of the most important skills that a person learns during their formative years. Reading along with writing and arithmetic is said to be a part of the 3Rs of learning (reading, riting and rithmetic) and learning this skill in the most efficient manner is vital to a person s development. Speed reading techniques should be taught to students, teachers, business professionals, and to everyday people. Speed reading has amazing benefits for students simply because they can read and understand a lot of material in just a small amount of time. A student could learn a number of courses, study for a test and read in advance new lessons because of speed reading. There are similar benefits for the working professional, who will be able to increase their productivity...
