

The Theory, Principles and Management of Taxation: An introduction (Hardback)

Filesize: 9.48 MB

Reviews

It is one of my personal favorite books. It really is filled with wisdom and knowledge. Your daily life period will likely be enhanced the instant you start looking at this PDF.

(Mr. Rocio Schroeder Sr.)

THE THEORY, PRINCIPLES AND MANAGEMENT OF TAXATION: AN INTRODUCTION (HARDBACK)**DOWNLOAD**

Taylor Francis Ltd, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. There are many practical textbooks explaining how taxation is applied and calculated but few ever deal thoroughly with the theory behind the practice. This book concisely addresses the principles and theories behind taxation in an accessible and internationally relevant way. It encourages readers to think through and develop an understanding of why taxation is imposed, the different means by which it is imposed and the nature of the problems inherent in this imposition. It addresses background issues, fundamental principles and emerging topics such as: * the philosophy and history of taxation; * types of taxation; and * international issues, including double taxation treaties, residence and transfer prices. This text is essential reading for students of taxation and provides a valuable introduction for students of business, finance and accounting.
