The Reason You're Alive

By Quick, Matthew

Condition: New. Publisher/Verlag: Macmillan Publishers International | The New York Times - bestselling author of The Silver Linings Playbook offers a timely novel featuring his most fascinating character yet, a Vietnam vet embarking on a crusade to track down his nemesis from the war. | After sixty-eight-year-old David Granger crashes his BMW, medical tests reveal a brain tumor that he readily attributes to his wartime Agent Orange exposure. He wakes up from surgery repeating a name no one in his civilian life has ever heard - that of a Native American soldier whom he was once ordered to discipline. David decides to return something precious he long ago stole from the man he now calls Clayton Fire Bear. It might be the only way to find closure in a world increasingly at odds with the one he served to protect. It might also help him finally recover from his wife's untimely demise. As David confronts his past to salvage his present, a poignant portrait emerges: that of an opinionated and goodhearted American patriot fighting like hell to stay true to his red, white, and blue heart, even as the country he loves rapidly changes in ways he doesn't always like or understand....
