Who could be marking out a territory across town with cairns? The five children, now accompanied by several dissidents from the Clan of the Shark, have returned to Campton, where Ivan found some clues about the night of the Vanishing. One evening, as they are discussing the organisation of their new camp, the Master of Knives comes to ask for their help . and collapses, gravely injured. Searching the city for what attacked him, the children are stunned to discover huge piles of objects covered in red paint . Key Points: *A story that works on two levels: the tale of the children's adventures will have younger readers thoroughly entertained, while the oppressive atmosphere and fascinating mystery will captivate older readers *An expressive, refined style with a very energetic layout. *By the author of Green Manor. *The series has obtained the 9-12 Youth Prize at the prestigious Angoulême Festival twice [in 2007 and 2010], along with two Top Awards from Le journal de Mickey. Fabien Vehlmann proved his mettle for Spirou Magazine with such hits as Green Manor and a Spirou one-off, before pairing up with Yoann in 2009 to form the new official team for Dupuis' flagship series. Bruno Gazzotti was Tome and Janry's assistant on Little Spirou , until he took over the art on SODA , a highly successful series that made him a household name.
