

State Regulation of Railroads in the South (Classic Reprint) (Paperback)

By Maxwell Ferguson

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from State Regulation of Railroads in the South IN this study the author has endeavored to outline the development of state regulation of railroads in the South, with special reference to the growth and present status of regulation through the various state commissions. The chapters on Charters, Early Laws, Constitutions, and Recent General Railway Legislation are to be understood as introductory, merely, to the main body of the monograph. That there is a need for some treatise upon the subject with which this one attempts to deal has for some time been recognized by southern scholars. But whether the publication of the pages here offered is justifiable, in view of the brief treatment, only, which the author has been able to give to this immense field, is a question concerning which he has long had the gravest doubts. He has concluded to offer the treatise in its present form, however, in the hope that students in the various colleges and universities of the South may be encouraged to take up the study of railroad regulation in each one of the southern...
