PRESENTATION SKILLS FOR TECHNICAL PROFESSIONALS: ACHIEVING EXCELLENCE

[DOWNLOAD](#)

IT Governance Publishing. Paperback. Condition: New. 246 pages. Dimensions: 8.4in. x 5.4in. x 0.7in. Your technical skills and professional expertise are evidence of your ability to accomplish difficult tasks. Strong presentation skills can help you further advance your career. The ability to present articulately to customers, management, peers and others can significantly enhance your credibility, clout, and professional status. Delivering presentations at work or professional events is an unbeatable way to gain a reputation as a valued employee and an expert in your field. If you have ever tried to get out of giving a presentation because of nerves, or if you feel there is room for improvement in your presentation techniques, then *Presentation Skills for Technical Professionals* is for you. Invaluable tips This book gives you invaluable tips on how to make your presentation clear and accessible, how to interact with your audience and how to retain their interest while keeping your anxiety under control. Naomi Karten has used her vast experience both positive and negative on the front lines of public speaking to provide key advice (and many chuckles!) in this engrossing read for the technical professional. By following the advice contained this book, you can take the stress out of the exercise and start delivering presentations that will engage your audience and make your ideas and arguments memorable. Read this book and . . . Make your presentation easy to absorb. This book shows you how to structure your information and ideas to ensure you communicate your message to your audience. Learn the pitfalls to avoid. However much time you have put into preparing the presentation, if you irritate your audience you can ruin all your hard work. This book reminds you of the bad habits, like mumbling or speaking in clichés, which you need to avoid if...
