iUniverse, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Medical clinic CEO Edmund Summerfield was once held in high regard throughout his wealthy community. Unfortunately, his ranking has recently fallen due to the difference in political views between Edmund and the group of ultra-conservative group of men who belong to the same country club. Despite the seemingly insurmountable challenges that loom in the near future, the Summerfield family is not about to give up their dedication to maintaining freedom and democracy in the face of the increasingly alarming positions of the far right. But little do they know just how difficult their fight will be. Concerned about the undeniable signs of authoritarianism and the ongoing assault upon democratic principles, Edmund and his two children, Nancy and Lionel, band together with like-minded friends and begin their commitment to work against political extremism. With no time to lose and the country on the brink of economic calamity, the Summerfields immerse themselves in meetings with other compassionate intellectuals concerned with the future of their country. Unfortunately, their well-intended journey has now led them into the midst of an adversarial relationship with elitist conservatives who seek limitless wealth and political power. In this dramatic tale, a political saga slowly unfolds as the Summerfields act on their unselfish intentions to serve the common good, never giving up hope that their beloved nation will, as always, rise up to meet its challenges and threats.
