

The Supernatural, the Paranormal, the Bible (Paperback)

By J Rife

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It is difficult to dispute that unexplained events can and usually do occur every day. There are books, TV shows, ghost hunting groups more in the mainstream culture. What has once been considered folklore has challenged skeptics more and more in these modern times. But tales of magic, ghosts, and divination existed before popular ghost stories were penned, before the popular witch trials of the past millennium, and even before many civilizations came to be. And the Bible is one of the best sources for not only demonstrating these things, but getting a better understanding of what much of it is about. This book explores the Bible and other writings of the Christian tradition. It is a resource, yet hardly all inclusive, which I hope you can find thought-provoking and interesting.
