Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a coach-class perspective of the Trump Phenomenon as viewed by an ordinary American. It is not a biography. Trump has been bold, brash and unapologetic as he skewers the elites. This book explains in a kind but honest fashion why so many Americans are attracted to Trump s message. And why the establishment elites are so terrified of his message. If you like Trump s message but are unsure about voting for him then this book is for you. It will be a valuable resource as you discuss Trump with your friends. The book is written in a conversational style for easy reading but contains plenty of thoughtful insights. The book discusses why Americans are mad as hell and what Trump has to say about it. Politicians, the media, special interests, illegal immigration, terrorism, jobs, debt and the military are all covered. This work puts into words how America has lost its way and what Trump will do about it.
