

## New Second Steps in Latin

Filesize: 9.45 MB

### **Reviews**

*The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Focus Publishing/R Pullins Co, United States, 2011. Spiral bound. Book Condition: New. 274 x 216 mm. Language: English . Brand New Book. New Steps in Latin is a three book series designed specifically for middle or high school students. The texts employ a minimum of explanation of grammatical principles, concentrate on essential grammar and morphology and on the syntax of simple, compound, and complex sentences. The focus on learning is through numerous examples. The series offers students a complete graded introduction to Latin and grammar. It can be used alone, as a main text supplemented by readings and cultural material, or as a supplementary grammatical work text for a reading-oriented course. Each book consists of 30 lessons intended for a year-long course in Latin. Taken together, the three books form a complete course for grades 7-9 or 6-8. Vocabulary in the series is based on Cicero, Vergil, Ovid, and Pliny. After completing New Steps in Latin, students will be ready to read these or other unaltered Latin authors. New First Steps (grade 6 or 7): conjugations 1-4, active and passive voice; declensions 1-5; simple sentences. New Second Steps (grade 7 or 8): participles, infinitives, relative clauses, indirect statement; complex sentences; connected reading. New Third Steps (grade 8 or 9): uses of the subjunctive, gerund and gerundive; excerpts from Caesar, Bellum Gallicum.
