

## 50 Steps for 50 Year Old Job Seekers (Paperback)

By Andy Friedman

Networlding Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Finally. a proven, easy system for job seekers over 50 to land a better job faster. Here are 50 simple, effective steps to help you turn unemployment into career advancement. Does your job search need a new direction? Does it seem every door is closed? Our unique 50 steps system will help you immediately. Older job seekers normally spend more time out of work and have more difficulty adapting to the new world of social media, social networking, e-resumes and interviewing. It's not unusual to be out of work for a year or more. Many older workers are afraid to leave dead-end jobs for fear of not finding anything better. The 50 Steps will help you: Land a better job more quickly. Identify and connect more effectively with those who will introduce you to the Hidden Job Market. Ace your interviews. Create resumes that get noticed. Stand out from the crowd. Network like a pro even if you are shy. I was where you are just last year. After 27 years of consistent employment, I was unemployed twice within one year. Each time I got more connected, more networked and...

### Reviews

*This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.*
