Brand New Book ***** Print on Demand *****.Excerpt from A Descriptive Catalogue of the Political and Memorial Medals Struck in Honor of Abraham Lincoln: Sixteenth President of the United States In the following pages will be found descriptions of one hundred and eighty-nine Medals struck in honor of Abraham Lincoln. No President or public man in this country - Washington excepted - has been honored with an equal number of medallic memorials. I believe very few pieces have escaped my observation, and they are probably those known as mules. The infamous practice of muling, at one time carried to a great extent, tends to confuse any one attempting to catalogue political pieces. Those individuals who urge die-cutters to strike them, can be looked upon only with contempt by any true student of Numismatics. I am indebted to the late Mr. A. H. Satterlee's work on Presidential Medals for descriptions of some of the earlier politicals. Also, to several gentlemen, who furnished me with rubbings and information on the subject.
