Allerona Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It s the summer of 1961, and all eyes in the sports world are riveted on New York s Yankee Stadium, where young outfielder Marvin Wallace is mounting an assault on Babe Ruth s record of 60 home runs in a season. As the upstart slugger closes in on the legendary Sultan of Swat, the pressure begins building off the field: Someone is making death threats, and it s up to ballplayer-turned-private eye Mark Renzler to figure out who. With a lineup of possible suspects that includes New Jersey gambling interests, fanatical Ruth fans and even Wallace s own teammates, Renzler faces a full count in late innings. If he doesn t come through in the clutch, it could be Marvelous Marvin s last time at bat. Praise for Paul Engleman, Mark Renzler, and Dead in Center Field: Paul Engleman is a deft storyteller with a quirky touch. Mark Renzler is a sociable Sam Spade: great company for the reader. -- Studs Terkel A grand slam! -- Lin Brehmer, WXRT Chicago The wisecracks are funny and the allusions clever. Engleman, like Chandler, doesn t take himself too seriously. -- Publishers Weekly This one s right in the ballpark. -- Los Angeles Times It s a delight! -- Playboy An excellent baseball mystery and a legendary private eye. -- Sacramento Bee Breezy and irreverent, Engleman works in 60s touches without wallowing in nostalgia. -- Chicago Sun-Times.
