ACHIEVING GUITAR ARTISTRY - CONCERT SOLOS (PAPERBACK)

William Bay Music, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Achieving Guitar Artistry - Concert Solos is a collection of 56 solos reflecting a wide array of colors, textures and moods. These were originally written for plectrum or flatpick guitar but may be played by the classical or fingerstyle guitarist. The solos range in difficulty from intermediate to advanced and will work wonderfully in recital or concert settings. Many of the solos encourage creativity with tone, expression and phrasing. Others are up-tempo and utilize Latin, jazz, bluegrass and Celtic rhythms. An ample amount of fingering and string markings are presented on each solo. This is the third book in the Mel Bay Achieving Guitar Artistry series. It follows Linear Guitar Etudes and Triads. The goal of this series is to present material able to develop the serious guitar student into a very accomplished player.
