Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Michigan: Its Geography, History, Resources and Civil Government For many years the course in Geography in the Public Schools in Grand Rapids has been supplemented, in the Eighth Grade, by a special study of our own state; and a pamphlet prepared by the Commissioner of Immigration in 1881, entitled, Michigan and Its Resources, was used for this purpose. After the distribution of the third edition, in 1884, the State ceased to publish the pamphlet, and, in time, it became necessary to provide a substitute for it or abandon the special study of Michigan. Accordingly, the Eighth Grade teachers assisted in the hasty compilation of a pamphlet which was used with a good degree of success. This has now been entirely re-written and much new material has been added. In the preparation of this pamphlet an attempt has been made to present, in small compass, facts and information that will lead children to an intelligent comprehension of the resources and institutions of their own State; and it is believed to contain material not to be found elsewhere in any one publication. The chapter on Civil Government is compiled, by permission, from Cocker s Civil Government of Michigan. Free use has also been made of the following: Michigan and Its Resources, Cox s Primer of Michigan History, Tackabury s Atlas of Michigan, Ford s Michigan Geography as published in The School Moderator, and Cooley s Michigan.
