Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

Hothive Books. Paperback. Book Condition: new. BRAND NEW, Just Help Yourself: The Common Sense Guide to Dealing with Life's Ups and Downs, Tom Lucas, Just Help Yourself offers an alternative approach to dealing with life's stressful times by placing the emphasis on Common Sense Psychology (CSP). This technique focuses on understanding that the real solutions to problems lies within us, not in external sources, and can be uncovered simply by using a little common sense. Using tips that Tom has picked up from over fifteen years working with top sporting professionals and business owners, this book will give you practical advice and support to take those initial steps to recognising that you, and only you, have the power to change the situation you find yourself in. After reading this book you will: * Embrace challenges and difficulties, rather than fear them * Recognise your talents and abilities * Understand that nobody can make you unhappy - unless you let them * Be able to follow your dreams and achieve true happiness * Have improved self confidence.
