There will be plenty of time to work with the colt of her treasured palomino horse, Taffy, and best of all, Andi will finally get to work full-time for the ranch she loves. There s just one problem: a city-slicker cousin named Daniel. Left there by his father, with a cryptic warning that New York City life has done damage to the young man s character, Daniel wants nothing to do with the ranch. He ignores Andi s lessons, walks away from responsibility, wrecks valuable equipment, and even runs away to San Francisco. The Carter family is in a frenzy trying to keep Daniel under control. When Andi discovers a horrifying secret about him, he forces her to stay silent. But all that changes when Daniel s actions put lives in danger. Andi s anger over her loss threatens to destroy not only Andi but her entire Circle C world. Can anyone break through the wall around Andi s bitter heart and help her find healing? Loyal long-time readers of Susan Marlow s historical fiction will line up for an older Andi s newest adventure, and her discovery of how powerful love can be.
