THE LENS AND THE LOOKER (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.BOOK #1 of The Verona Trilogy: Young Adult, Post-Dystopian Fiction It s the 24th century and humans, with the help of artificial intelligences (A.I.s), have finally created the perfect post-dystopian society. To make equally perfect citizens for this world, the elders have created History Camps, full sized recreations of cities from Earth s distant pasts. Here teens live the way their ancestors did, doing the same dirty jobs and experiencing the same degradations. History Camps teach youths not to repeat the mistakes that almost caused the planet to die. But not everything goes to plan. In this first of a trilogy, we meet three spoiled teens in the year 2347. Hansum almost 17, is good looking and athletic. Shamira, 15, is sassy, independent and an artistic genius. Lincoln, 14, is the smart-aleck. But you don t have to scratch too far beneath the surface to find his insecurities. These three hard cases refuse the valuable lessons History Camps teach. But when they are kidnapped and taken back in time to 1347 Verona, Italy, they only have two choices; adapt to the harsh medieval ways or die. The dangers are many, their enemies are powerful, and safety is a long way away. It s hardly the ideal environment to fall in love - but that s exactly what happens. In an attempt to survive, the trio risks introducing technology from the future. It could save them - or it could change history. Series Overview: The Lens and the Looker is the first book of The Verona Trilogy. It s followed by The Bronze and the Brimstone and The Loved and the Lost. The series takes readers along on the life-changing journey...
