Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Everyone goes through hardships in life, how you choose to deal with these hardships is your choice. What I choose do is to write about it. The bad, the good, and the ugly. Everything I go through gets written down in a little notebook, and now I am choosing to expose my hardships to the world. Inside of this rollercoaster of my mind, you will read poetry from when I was thirteen and just discovering how cute boys where, to my first heartbreak, my second, and so on and so on. I have been dealing with anxiety and depression for a very long time, and this is the one way I choose to express myself and deal with it. There are also some funny/ silly poems that bring some light to the darkness, and everything in between. With that being said, keep an open mind when reading as I was very young and naive when I first started writing.
