Reviews

Excellent electronic book and valuable one. We have read and so i am sure that i am going to likely to study again once more in the foreseeable future. I am just happy to inform you that here is the very best book i have read during my personal lifestyle and might be he greatest book for possibly.

(Brendan Wuckert)

THE PALE OF MEMORY (PAPERBACK)

iUniverse, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the mid-1990s, Manhattan quivered under a dreadful affliction. For one group of New Yorkers, what starts out as a caper worthy of the Hardy Boys themselves quickly spirals into a reckless mission of obsession and a dangerous love affair with dire consequences. Crafted with the focused perspective of the voyeur, the pale of memory portrays a shifting world of the questionable protagonist, a young man named Scott. As he attempts to hide his secrets, he also tries to transform his new lover in a desperate attempt to recreate his own past. For Scott, nothing is as it seems in the swirling vortex of lies, trickery, and emotional misdirection. As perceptions are revealed and confronted, everything Scott wants to believe is challenged with haunting vigor. Too soon, Scott's mania reveals more than he can comprehend or manage. From the darkest memories of his curious, confusing past, Scott's present is about to spin out of control too, to a place where the pale of memory builds to a devastating crescendo. Hitchcock's Vertigo with sexy, dangerous young men. Had me hooked from page one. -Charles Busch, author of The Tale of the Allergist's Wife.
