A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

The inevitable passing of Father Tomas McTavish, the man of whom I write, finally arrived. It was a moment I dreaded but when it came there was a calmness I did not expect. I was not present when the light faded from his eyes but I felt it from afar. A sense of unfathomable love encompassed me at the very moment of his passing which was so profound, adequate words to describe the experience fail me. Tomas spent his life dedicated to the Absolute Creator, but at the very moment of his departure from this plane, his thoughts were of me. No moment in time can be more priceless than this. Tomas is not famous beyond the parish he served and his passing will leave no more trace of his sojourn on this earth than ripples on the surface of a pond. And yet the way of life he chose for himself may have an ever-growing influence over his fellow man so that it may eventually be realized there lived among us a very remarkable creature. As my own days come to a close, I have begun to fully realize and appreciate the incredible experience it has been to share my life with Father Tomas Lonn Whitcomb McTavish, the man with whom I had the most amazing love...
