## HOW TO REGENERATE YOUR FAILING HEALTH: NO 1 YOGA AND FITNESS EXPERT (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Learn to be the sole manager of your wonderful life. Your mental attitude greatly influences your physical condition, actions and reactions both in public and in private. The personality of each person is determined by his or her regular actions and reactions on the entire affairs of life in general. How to Regenerate Your Failing Health is not a normal book but rather, a simple and practical program meticulously structured to awaken the infinite capacities and potentials for positive deed found deep down within you You will learn the importance of applying positive thinking when deciding and choosing on all the topics of the day and how to manage your holy-health and general well-being. You will learn about yoga, its benefits and other combinations of exercises to increase your energy level necessary to balance your state of enthusiasm for living, working and being happy from day to day. How to Regenerate Your Failing Health will deeply inspire you to take charge and control of your holy-health! Example: Never drive to places you can walk without being exhausted: walk or cycle is more healthy Never work for money or for material gains behind your mind: work rather for your passion or for the love of what you are doing; that is more healthy Never stop to learn or to study; if you stop learning and studying your mind loses power of regeneration. Things to learn and human ability to study are infinite; the more you know, the better you will live.
