

A Practical Guide to Early Intervention and Family Support: Assessing Needs and Building Resilience in Families Affected by Parental Mental Health Problems or Substance Misuse (Paperback)

Filesize: 7.35 MB

Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A PRACTICAL GUIDE TO EARLY INTERVENTION AND FAMILY SUPPORT: ASSESSING NEEDS AND BUILDING RESILIENCE IN FAMILIES AFFECTED BY PARENTAL MENTAL HEALTH PROBLEMS OR SUBSTANCE MISUSE (PAPERBACK)

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2016. Paperback. Condition: New. Revised. Language: English . Brand New Book. Parental mental health problems and substance misuse affect a significant number of families. This handbook provides practitioners with early intervention techniques and effective support strategies for ensuring the best outcomes for these vulnerable families. Featuring pointers, models and practice examples, A Practical Guide to Early Intervention and Family Support considers the concept of resilience and effective family support. Assessing the policy context and possible barriers to support, it looks at assessment of need, safeguarding children, minimising negative impact, and most importantly, keeping families together where possible. Drawing on key research on the risks and impacts, this book demonstrates the need for a unified approach from a range of adult and children s services. This third edition has been fully updated to reflect developments in policy and services. Essential reading for all professionals who are involved in providing services to families, it will also be of interest to service commissioners and those with an academic interest in what helps to support children and families in these circumstances.
