INSPIRATIONAL LIVING

DOWNLOAD PDF

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. I have learned about life that when we live wholly, we live holy. I have been searching for ways to live my life as a whole person, as an integrated being, for 25 years. The first thing I came to understand was that, if I am to live an integrated life, I must become far more integrated with my environment. That is, I must become one with it, and treat it as if it were a part of me, not something from which I was separate, and which was separate from me. Holistic living means being aware that I am part of a whole system, a whole idea, a whole reality, and that everything I think, say, and do affects that reality indeed, at some level, creates it. Printed Pages: 112.
