Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A nuclear war is possibly the most terrible man-made disaster that could happen. Having the knowledge and learning the survival skills required for such an emergency can make the difference between surviving a nuclear war for you and your loved one and not. Be prepare now! A primary characteristic of any armed conflict or war is the destruction of life and property. Countries attempt to protect their civilian populations, both by maintaining a strong military and by establishing internally displaced person (IDP) camps to which refugees can relocate under the care of the government. Personal preparation is, however, just as important, if not more important, towards surviving a war. Knowing what to do and being prepared beforehand is a crucial way of giving yourself and your family a better survival chance. The first thing that you will need is information on what to expect and how to prepare. This information will guide your actions. The purpose of this book is specifically to provide the information you need to survive a nuclear war. Discover some methods of warfare, as well as the...
